# Lessons Learned:

❖ Increased nutrition awareness among pupils and parents.

❖ Developed a partnership-participatory approach

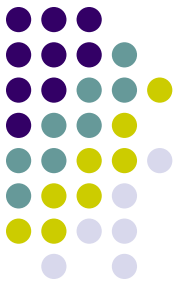

❖ Good nutrition plays a vital role in school performance.

# How it could have been done better?

- ❖ Full cooperation and support from teachers and parents
- ❖ Close monitoring and continuous program evaluation
- ❖ Additional funding to cater more children

# Sustainability and Impact to the Community

- ❖ Improved nutritional status and school performances;
- ❖ With sufficient fund and support group, the program can be sustained;
- ❖ If will be replicated by various sectors, it will have a greater impact in minimizing malnutrition rate in the country.

*Thank You & Mabuhay!!!*
